

# SIT723 Research Project A

## Pass Task 1.2: Project in Your Own Words

---

### Overview of the task

In this task, you will write a brief description based on your understanding of the research project – treat it like the final abstract of your research report or exegesis. Note that this is an ongoing (iterative) task which you might get right in iterations and should be updated based on your supervisor's feedback.

### Instructions

The submission needs to cover the following items:

- project description in approx. 500 words;

### Submission Details

Submit the following to OnTrack: A single PDF document with the project description in your own words.

### Useful Information

- 500 words is an indicative number. You do not necessarily have to write 500 words in the first attempt, unless you have a very good understanding of your project;
